PREAMBLE

This Agreement, entered into this July 1, 2015, by and between the Board of Education of the Bordentown Regional School District, hereinafter called the "Board," and the Bordentown Regional Education Association, hereinafter called the "Association," represents and incorporates the complete and final understanding and settlement by the parties of all negotiable issues which were or could have been the subject of negotiations.

ARTICLE 1 RECOGNITION

A. The Board hereby recognizes the Association as the exclusive and sole representative for collective negotiations concerning the terms and conditions of employment for certified non-supervisory personnel employed by the Board, under contract or on leave, including:

- Classroom Teachers
- Special Area Teachers including: music, art, physical education, home economics, family and consumer science, and industrial arts and technology
- Librarians
- Nurses
- Compensatory Education and Title I Teachers
- Teachers of Special Education
- Speech Therapists
- Child Study Team Members
- Guidance Counselors
- Athletic Trainer
- Substance Abuse Coordinator

but excluding all supervisory personnel and all hourly rate employees.

The Board also recognizes the Association as the exclusive and sole representative for collective negotiations concerning the terms and conditions of employment for the following employees, whether under contract or on leave:

- Secretaries
- Clerks
- Bus Aides
- Instructional Aides
- General Aides
- Custodians and Maintenance Personnel
- Bus Drivers

but excluding the Supervisor of Buildings and Grounds, the Secretary to the Superintendent, the Payroll Secretary, the Secretary to the Board Secretary/Business Administrator, and the CDA Administrative Assistant and Secretary.

B. Unless otherwise indicated, the term "unit member," when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the negotiating unit as above defined. The particular terms and conditions of employment of the Athletic Trainer are described in the job description for that position adopted by the Board on July 1, 2003, and are not modified by this agreement except as specifically stated herein.

ARTICLE 2 **NEGOTIATIONS PROCEDURES**

A. The parties agree to enter into collective negotiations over a successor agreement, in accordance with P.L. 1968, c. 303, as amended by P.L. 1974, c. 123, in a good faith effort to reach agreement on matters concerning the terms and conditions of unit member employment. The parties shall hold their first negotiations session during the month of February of the calendar year in which the contract expires, at which they shall exchange proposals.

B. During negotiations, the Board and the Association shall present relevant data, exchange points of view, and make proposals and counterproposals.

C. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party. The parties mutually pledge that their representatives shall be clothed with all necessary power and authority to make proposals, consider proposals, and make counterproposals in the course of negotiations. The Board and the Association retain the right to review, ratify, or reject the tentative agreements reached by their negotiations representatives.

D. This Agreement shall not be modified in whole or in part by the parties, except by an instrument in writing duly executed by both parties.

ARTICLE 3 **GRIEVANCE PROCEDURES**

A. Definitions

1. A "grievance" is a claim based upon an event or condition which affects the terms and conditions of employment of a unit member or group of unit members and/or the interpretation, meaning, or application of any of the provisions of this Agreement.
2. An "aggrieved person" is the person or persons making the claim.
3. A "party-in-interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose

1. The purpose of this procedure is to resolve grievances, at the lowest possible level, which may, from time to time, arise concerning the terms and conditions of employment of unit members. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing contained herein shall be construed as limiting the right of any unit member having a grievance to discuss the matter informally with any appropriate member of the administration, and to have the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment and to state its views.
3. The Association shall have an opportunity to file a grievance even when the aggrieved individual is unwilling to do so on his/her own.

C. Procedure

1. Since it is important grievances be processed as rapidly as possible, the number of days indicated at each level shall be a maximum, and every effort should be made to expedite the process. Failure by a grievant to process the grievance in a timely fashion shall constitute a waiver of the right to grieve on the matter in question. Failure by the Administration or the Board to respond to a grievance in a timely fashion at Level One, Two, or Three shall permit the grievant to proceed to the next step in the procedure. The time limits specified may, however, be extended by mutual agreement. A grievance must be initiated in writing at Level One within twenty (20) school days of the point of grievance.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as it is practicable.

3. Level One

- a. A unit member with a grievance shall first discuss it verbally; a teacher, secretary, or aide with his/her principal; a custodian or maintenance person with the Supervisor of Buildings and Grounds; a bus driver and aide on a bus with the Transportation Supervisor – with the objective of resolving the matter informally. The unit member may elect to have an Association representative present.
- b. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One (a), s/he may file the grievance in writing with the principal, or Business Administrator, in the case of custodians or

maintenance personnel, bus drivers and bus aides, within twenty (20) school days of the incident giving rise to the grievance, with the objective of resolving the matter by a written decision within five (5) school days after receipt of the written grievance.

4. Level Two

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, or if no decision has been rendered within five (5) school days after written presentation of the grievance, s/he may file the grievance, in writing, with the Association within five (5) school days after the decision at Level One or ten (10) school days after the written grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Association should refer it to the Superintendent if it determines that the grievance is meritorious.
- b. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two (a), or if no decision has been rendered within five (5) school days after presentation of the grievance to the Association, s/he may file the grievance, in writing, with the Superintendent.

5. Level Three

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance by the Superintendent, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the Superintendent, s/he may, within five (5) school days after a decision by the Superintendent or fifteen (15) school days after the grievance was delivered to the Superintendent, whichever is sooner, request, in writing, that the Association submit the grievance to the Board.
- b. This request shall be submitted through the Superintendent who shall attach all related papers and forward the request to the Board.
- c. The Board, or a committee thereof, shall review the grievance, and, if requested, shall hold a hearing with the employee and other interested parties in order to establish all the facts.
- d. The Board will render a decision, in writing, to the aggrieved person within thirty (30) calendar days.

6. Level Four

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Three, or if no decision has been rendered within thirty (30) calendar days after the grievance was delivered to the Board, the aggrieved person may, within five (5) school days after a decision by the Board or thirty-five (35) calendar days after the

grievance was delivered to the Board, whichever is sooner, request in writing that the Association submit its grievance to arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance within fifteen (15) school days after receipt of the grievance by the aggrieved.

- b. Within ten (10) school days after such agreement to submit the grievance to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators will be made, on a rotating basis, to the American Arbitration Association and the Public Employment Relations Commission, by either party. The parties will be bound by the rules and procedures of the agency utilized for that grievance.
- c. The arbitrator's decision shall be in writing and shall be submitted to the Board and the Association and shall be final and binding on the parties regarding grievances involving alleged violations of the express terms of this Agreement, and shall be advisory to the parties regarding grievances involving Board policy and administrative decisions affecting terms and conditions of employment.
- d. The arbitrator shall limit him/herself to the issues submitted to him/her and shall consider nothing else. S/he can neither add nor subtract anything to or from the Agreement between the parties. The only grievances which may be arbitrated are those alleging that there has been a violation of the express, written terms of the locally negotiated Agreement. The arbitrator shall have only the power to interpret what the parties to the Agreement intended by the specific clause in the Agreement which is at issue. His/her recommendations on such an interpretation shall be binding on the parties.

D. Rights of Unit Members to Representation

Any unit member in interest may be represented at all stages of the grievance procedure by him/herself or, at his/her option, by a representative selected or approved by the Association.

E. Miscellaneous

1. Decisions rendered at Level One (b), Levels Two and Three of the grievance procedure shall be in writing, setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties.
2. All documents, records and communications between the grievant/Association and the Administration/Board dealing with the processing of a grievance shall be filed in a separate grievance file, shall not be kept in the

personnel file of any of the participants, and shall be made available to the Association representative upon request.

3. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties-in-interest and their designated or selected representatives, heretofore referred to in this Article.
4. The costs for the services of the arbitrator shall be equally shared by both parties to the Agreement, and any additional costs shall be paid solely by the party incurring such costs.
5. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
6. If a grievance affects a group or class of unit members, and it cannot be resolved by the appropriate principal, the grievance committee may submit such grievance, in writing, to the Superintendent directly, and the processing of such grievance shall be commenced at Level Two.

ARTICLE 4 MEMBER RIGHTS

- A. Pursuant to P.L. 1968, c. 303, as amended by P.L. 1974, c. 123, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association and its affiliates for the purpose of engaging in collective negotiations and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under the laws of the State of New Jersey, the Board agrees that it shall not directly or indirectly discourage, deprive, or coerce any unit member in the enjoyment of any rights conferred by P.L. 1968, c. 303, or other laws of New Jersey, or the Constitutions of New Jersey and the United States, that it shall not discriminate against any unit member with respect to hours, wages, or any terms or conditions of employment by reason of membership in the Association and its affiliates, participation in any activities of the Association and its affiliates, collective negotiations with the Board, or institution of any grievance, complaint, or proceeding under this Agreement or otherwise, with respect to any terms or conditions of employment.

An employee who chooses to arbitrate a grievance alleging a violation or misinterpretation of this clause shall be precluded from submitting the same grievance or complaint to any other legal forum. An employee who files a grievance or complaint in any other legal forum regarding the rights delineated in this paragraph shall be precluded from submitting the same grievance to arbitration.

- B. No unit member shall be disciplined, reprimanded, reduced in rank or compensation, or deprived of any professional advantage without just cause. Any

such action asserted by the Board, or any agent or representative thereof, shall be subject to the grievance procedure herein set forth.

- C. No unit member shall be prevented from wearing pins and other identification of membership in the Association or its affiliates if kept within bounds of good taste.
- D. The teacher shall maintain the right and responsibility to determine grades and other evaluations of students within the grading policies of the Bordentown Regional School District. The administrator will show the teacher any changes made on the student's official records and indicate, in writing to the teacher, the reason for these changes. This is to be given to the teacher prior to the first day of the succeeding year.
- E. Unit members shall not be required to drive students in the unit members' own vehicles.
- F. Tenured secretaries and clerks and non-tenured, non-certified unit members shall be subject to reductions in force in accordance with their seniority within the District, when in the judgment of the administration the performance of the affected employees is equal.

ARTICLE 5 ASSOCIATION RIGHTS AND PRIVILEGES

- A. 1. The Board agrees to furnish to the Association, in response to mutually agreed upon reasonable requests from time to time, all available public information concerning the financial resources of the district, including but not limited to: annual financial reports and audits, register of certified personnel, tentative budgetary requirements and allocations, agendas and minutes of all Board meetings, census data, names of all unit members, and such other information that shall assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the unit members.
2. A copy of the Board agenda for upcoming meetings and the Board minutes of the previous meeting will be made available electronically or sent by request to the President of the BREA and the Head Building Representatives. These will be sent prior to each meeting.
- B. Whenever any unit members are mutually scheduled by both parties to participate during working hours in negotiations, grievance proceedings, conferences or meetings, they shall suffer no loss in pay.
- C. The Association, representatives of the Association, the New Jersey Education Association, and the National Education Association shall be permitted to transact official Association business on school property. Such transactions shall be scheduled at reasonable times, to be approved by the Superintendent, provided in his/her judgment this shall not interfere with or interrupt school operations.

- D. The Association shall have the right to use school facilities and equipment, including computers, printers, duplicating equipment, calculating machines, and all types of audio-visual equipment, with the approval of the Superintendent, when such equipment is not otherwise in use. The Association shall pay for the reasonable cost of all materials and supplies incident to such use as determined by the Board.
- E. The rights and privileges of the Association and its representatives, as set forth in this Article, shall be granted only to the Association as the exclusive representative of the unit members, as defined in Article I, and to no other teacher association or union.
- F. The Association shall have, in each school building, the exclusive use of a bulletin board in each faculty room and teachers' dining room. The Association shall also be assigned adequate space on the bulletin board in the general school office for Association notices. Copies of all materials to be posted on such bulletin boards shall be given to the building principal, if feasible, but no approval shall be required for materials to be posted in faculty rooms. His/her approval is required for materials to be posted in the general school office.
- G. The Association shall have the option of reasonable use of the intra-school mailboxes.
- H. The Board may grant leave without pay to the president of the Association and/or the chairperson of the negotiating team, as requested, for transaction of Association business during their terms in office.
- I. The Association shall have the right to purchase expendable office supplies and other materials from the Board at the price paid by the Board.
- J. The Association shall have the right to have a representative present at any orientation program for new personnel covered by this Agreement. The Association representative shall be offered the opportunity to welcome the new personnel.

ARTICLE 6 BOARD RIGHTS AND RESPONSIBILITIES

A. Management Rights

The Association recognizes that the Board has the responsibility and authority to manage and direct, on behalf of the public, all of the operations and activities of the school district to the full extent authorized by Law. The exercise of these powers, rights, authority, duties, and responsibilities by the Board and the adoption of such rules, regulations, and policies as it may deem necessary shall be limited only by the specific and expressed terms of this Agreement.

B. Management Prerogative

The Association agrees and recognizes that the Board reserves to itself sole jurisdiction and right, in compliance with the laws of the State of New Jersey and the rulings of the State Commissioner of Education, to hire, assign, promote, transfer, and direct employees covered by this Agreement, or to take disciplinary action against said employees (up to and including discharge) for just cause, to direct school operations, and to take whatever other actions may be necessary to accomplish the mission of the school district, except as may be specifically provided by the language of this Agreement.

- A. The Board Staff Relations Committee, hereinafter referred to as the BSR Committee, shall consist of three (3) representatives appointed by the Board and five (5) representatives appointed by the Association. The Committee shall meet at least once every 60 days during the school year to explore and prepare action programs for recommendation to Board and/or Administration for achieving satisfactory personnel policies and procedures which benefit children and unit members (e.g., teaching techniques, curriculum improvement, extracurricular programs, in-service testing, pupil testing and evaluation, philosophy and educational goals of the district, the academic calendar, teacher recruitment, research and experimentation, educational specifications for buildings, to discuss school problems and practices, and to plan an active role in the revision or development of district policy, and other related matters regarding the effective operation of the Bordentown Regional School District).
- B. The BSR Committee shall establish its own rules of procedure and shall be chaired by the Superintendent, who shall be responsible for the arrangement and conduct of meetings.
- C. Nothing in this Article shall be interpreted to prevent the BSR Committee from consulting or adding to its number such additional teachers, professional advisors, parents, students, or other persons as the original members herein designated shall determine are desirable and appropriate for said purposes. Such additions shall be mutually agreed upon by both groups.
- D. Nothing in A., B., or C. above shall be interpreted to negate present and/or future Board policies or Board prerogatives.

4. Staff meetings called by the administration should take place after the normal work day and will be of no more than one hour in duration unless announced at least seventy-two (72) hours in advance. More than one such meeting per month may be required. If the meeting is to be longer than one hour, the approximate amount of additional time will be specified by the administrator.

D. 1. The normal in-school work day shall consist of not more than seven (7) hours, which shall include a duty-free lunch period as guaranteed under C. 1. above. This time does not include necessary time before and after the work day, in accordance with paragraph D. 2. below.

In the High School, the advisory period will be a Collaborative Learning Period/Professional Learning Communities to be scheduled on alternating

weeks (one week PLC and one alternate week CLP) with a maximum of two per month. Staff members will facilitate relevant and varying topics. This advisory period excludes contractually agreed terms and conditions such as class coverage and non-supervisory duties.

2. It is recognized that teachers, as professional employees, spend many hours in addition to the direct contact with students. An exception may be provided if the reason for the leave was an unforeseeable emergency, or if it is absolutely impossible to schedule the matter on another day. Such requests shall have the reasons for such leave stated and be subject to approval by the administration. Leave to attend the funeral of a person not in the immediate family shall be an acceptable reason under this section.
 - c. Approved "emergency" days may be granted with less than 24 hours' notice, with reasons stated and approved, including the reason of death in other than the immediate family.
 - d. Unused personal days shall be converted for credit as sick leave under the provisions of Article 15 of this Agreement.
4. Visitation days, conferences, conventions, etc., may be granted upon written request with approval of the Building Principal.
5. Up to two (2) additional days may be allowed for certified staff, secretaries, and aides, less substitute pay, after the days allowed under A. 3. have been taken. C. Unit members accompanying students on school trips or otherwise acting in a capacity representing the school at an educational function will not be considered absent.

ARTICLE 17

- A. The Board agrees that up to two (2) unit members designated by the Association shall, upon request, be granted a leave of absence without pay for one school calendar year for the purpose of engaging in activities of the Association or its affiliates, provided notice is received by June 1 preceding the said school year.

- C. Military leave without pay shall be granted to any certified unit member who is inducted or enlists in any branch of the armed forces of the United States for the period of said induction or initial enlistment, pursuant to the requirements of Title 18A.
- D. Maternity Leave

The Board shall grant maternity leave without pay to any unit member, upon request, subject to the following stipulations and limitations:

1. The Board may remove any pregnant unit member from her duties on any one of the following bases:
 - a. Her physical condition or capacity renders her incapable of performing her assigned duties, which shall be deemed to exist if:
 - (1) the pregnant unit member fails to produce a physician's certificate that she is medically able to continue working; or
 - (2) the Board's physician concludes that the pregnant unit member is unable to continue working.
 - b. Any other just cause that is found to exist in N.J.S.A. Title 18A.
2. The Board shall grant a leave of absence for medical reasons associated with pregnancy and birth to pregnant unit members on the same terms and conditions governing leaves of absence for other illnesses or medical disabilities, as set forth in N.J.S.A. 18A:30-1 et seq.
3. Any tenured or non-tenured unit member seeking such leave shall apply to the Board thirty (30) school days prior to the beginning of leave. At the time of application, the unit member shall specify in writing the date on which she wishes to return to work after birth. The Board may require any unit member to produce a certificate from a physician in support of the requested leave date. The physician's certification is subject to agreement by the Board's physician. Where the medical opinion is supportive of the leave dates requested, such leave shall be granted by the Board, except that the Board may change the requested dates upon finding that the grant of a leave for the dates stipulated and medically confirmed would substantially interfere with the administration of the school. Following the grant of such leave to any unit member, the commencement and termination dates thereof may be further extended or reduced for medical reasons upon application by the unit member to the Board. Such extension or reduction shall be granted by the Board for an additional reasonable period of time, except that the Board may alter the requested dates upon finding that such extension or reduction would substantially interfere with the administration of the school and/or disrupt the program, and provided that such date change is not medically contraindicated. The Board may require any unit member to produce a physician's certificate in support of the requested change, and it is subject to agreement by the Board's physician.
4. Upon return from a maternity leave of absence, the unit member shall be reinstated in her same position or a similar position for which she is certified.
5. The Board is under no compulsion to continue the employment of a non-tenured employee beyond the contracted period, so long as the non-renewal of employment is not based solely upon a condition or pregnancy or childbirth.

6. Advancement on the salary guide shall be consistent with the terms of Article 10. A. 2. b. of this Agreement.
7. With respect to extension of leave, no such leave for a non-tenured unit member shall be extended beyond the end of the year in which the leave is to commence. For a tenured unit member, no such leave shall be extended beyond a period of 24 calendar months from the date on which said leave is to commence.

E. Any unit member adopting an infant child may receive similar leave which will commence upon his/her receiving de-facto custody of said infant, or earlier if necessary to fulfill the requirements for adoption.

F. A leave of absence without pay of up to one (1) year shall be granted for the purpose of caring for a sick member of the unit member's immediate family. Additional leave may be granted at the discretion of the Board.

G. Leaves for Political Office

1. The Board shall grant a leave of absence without pay of one-half school year to a unit member to campaign for public office for him/herself or for another candidate. Such leaves shall commence with the beginning of the school year and shall end in the month of January at a date determined by the Superintendent.
2. The Board shall grant a leave of absence of up to four full calendar years without pay to a unit member to serve in public office. Such leaves shall be renewable only once. Such leaves shall commence and end in the month of January at a date determined by the Superintendent.

H. All benefits to which a unit member was entitled at the time his/her leave of absence commenced, including unused accumulated sick leave and credits toward sabbatical eligibility, shall be restored to him/her upon his/her return, and s/he shall be assigned to the same position which s/he held at the time said leave commenced, if available or, if not, to a substantially equivalent position.

I. Other leaves of absence without pay may be granted by the Board for good reason and shall be equally available to males and females.

J. Upon return from leave granted pursuant to Section B or C of this Article, a unit member shall be considered as if s/he were actively employed by the Board during the leave and shall be placed on the salary schedule at the level s/he would have achieved if s/he had not been absent, provided, however, that time spent on said leave shall not count toward the fulfillment of the time requirements for acquiring tenure. A unit member shall not receive increment credit for the time spent on a leave granted pursuant to Section A, D, E, F, G, or I of this Article; nor shall such time count toward the fulfillment of the time requirements for acquiring tenure.

- K. All leaves of absence shall be applied for and granted in writing. All leaves under this article, except disability leaves and military leaves, shall terminate at the end of the school year or at the end of a marking period.
- L. It is the responsibility of the unit member who is on leave to notify, in writing, the Superintendent regarding his/her intent to return to teaching/working duties for the coming school year. This notice must be submitted by March 15 of the school year in which the leave is taken. The lack of said notice shall be considered as a resignation.

Employees planning to return at a marking period shall confirm their plans by notifying the Administration thirty (30) days prior to the return date.

ARTICLE 18 SABBATICAL LEAVES

- A. A sabbatical leave may be granted to a teacher by the Board for study, including study in another area of specialization, for travel, or for other reasons of value to the school system, subject to the following conditions:
 1. If there are sufficient qualified applicants, sabbatical leaves shall be granted to a maximum of four (4) teachers per year.
 2. Requests for sabbatical leave must be received by the Superintendent, in writing in such form as may be mutually agreed upon by the Association and the Superintendent, no later than December 15, and action be taken on all such requests no later than January 30 of the school year preceding the school year for which the sabbatical leave is requested.
 3. To be eligible, the teacher must have completed at least seven (7) full school years of service in the Bordentown Regional School District. This is understood to include all service in Bordentown City, Bordentown Regional, and Bordentown Township. This does not include time spent on any leaves granted under Article 15 of this Agreement.
 4. A teacher on sabbatical leave (either for one half (1/2) of a school year or for a full school year) shall be paid by the Board at 50% of the salary rate which s/he would have received if s/he had remained on active duty.
 5. Upon return from sabbatical leave, a teacher shall be placed on the salary schedule at the level which s/he would have achieved had s/he remained actively employed in the system during the period of his/her absence.
 6. As a condition to accepting the sabbatical leave, the teacher hereby agrees to work for the District in whatever position assigned for a minimum of two (2) years immediately after the end of the leave. If this condition is not fulfilled, the teacher agrees that the District is entitled to the refund of all monies paid by the Board to the teacher during the leave.

7. At the end of the sabbatical leave, and no later than nine (9) weeks after returning to the teaching assignment, a written report will be submitted by the individual to the Board of Education through the proper channels. The contents of this report will include name and location of school, program or activity, length of the program, a description of the program or activity, an evaluation of what was accomplished and any other pertinent information of interest.
8. All regular deductions will be made on sabbatical leave pay.

ARTICLE 19 PROFESSIONAL DEVELOPMENT AND EDUCATIONAL IMPROVEMENT

- A. The Board agrees to pay the full cost of tuition and other reasonable expenses incurred in connection with any courses, workshops, seminars, conferences, in-service training sessions, or other such sessions which a certified unit member is required and/or requested by the administration to take.
- B. When aides are required to work on scheduled in-service days, in-service trainings or professional development workshops will be related to the duties and functions of their job assignments, provided that the Superintendent shall retain sole authority to determine, in the exercise of his or her administrative discretion, the specific content of such in-service trainings and/or required professional development workshops.
- C. The Board will provide for an annual tuition reimbursement of \$50,000 for certified staff. Employees shall submit their requests to the Superintendent prior to registration. All requests are subject to the approval of the Superintendent. Approval will be granted for courses, which are:
 - a. part of a matriculated graduate program in education or in the subject area of their teaching assignment
 - b. graduate courses in subject matter relevant to the teacher's certification and/or teaching assignment
 - c. courses leading to certification in educational administration

Teachers will be reimbursed fifty percent (50%) of the cost of tuition for approved courses, but in no case more per credit than 50% of the per credit tuition charges in the graduate school program at The College of New Jersey.

Reimbursement will be in the month of June for courses which are completed in the fiscal year ending in that June. Should the reimbursement requests exceed the specified yearly total, each applicant will receive 50% reimbursement for three (3) credits, or, if this cost exceeds the annual allowance, a pro-rated amount. If, after this payment is made, there are funds remaining, the next three (3) credits per teacher will be reimbursed, or, if this cost exceeds the annual allowance, a pro-

rated amount will be reimbursed. A grade of "B" or better shall be attained for reimbursement.

D. Teachers accepting tuition reimbursement money from the district agree to remain employees of the district for the two (2) school years following the school year in which they received the reimbursement.

The reimbursement will be waived in the event of Social Security Disability, TPAF disability retirement, a medical condition that requires an end to a teaching career, loss of employment due to a RIF or non-renewal, or resignation due to the transfer of a spouse or domestic partner in his/her employment which requires relocation further than sixty (60) miles from Bordentown Regional School District. Time served in the military after receipt of the tuition payment counts toward the two (2) years return service obligation.

Failure to remain in the district for one (1) full school year after receipt of tuition reimbursement will require full repayment of the reimbursement in question. Leaving the district after one (1) full school year but before the completion of a second full school year after receipt of tuition reimbursement will require fifty percent (50%) repayment of the reimbursement in question.

Any money rebated to the school district under this paragraph will be added to the pool of money available for reimbursement in the year in which it is rebated.

ARTICLE 20 SUPERVISION OF STUDENT TEACHERS

A. The teacher shall receive a request to take a student teacher at least four (4) weeks prior to the student's introduction to the classroom.

A. The Board shall reimburse unit members for any loss, damage, or destruction of clothing or personal property on their person while on duty in the school, on the school premises, or on a school-sponsored activity, when such loss, damage, or destruction occurs while such unit member is engaged in action necessary to protect him/herself from attack, to protect another person or property, to quell a disturbance threatening physical injury to others, or to obtain possession of weapons or other dangerous objects upon the person or within control of a pupil.

B. Cases of Assault

1. Unit members shall immediately report cases of assault suffered by them in connection with their employment to their Principal or other immediate superior.
2. Such notification shall be immediately forwarded to the Superintendent, who shall comply with any reasonable request from the unit member for information in the possession of the Superintendent relating to the incident or the persons involved, and who shall act in appropriate ways as liaison between the unit member, the police, and the courts.

ARTICLE 22

1. The Board agrees to deduct dues from the salaries of its unit members for the Bordentown Regional Education Association, the Burlington County Education Association, the New Jersey Education Association, or any one or any combination of such associations as said unit members individually and voluntarily authorize the Board to deduct. This representation fee shall be levied at 85% of the regular membership dues, fees, and assessments.
3. The Association shall indemnify and hold the employer harmless against and from any and all claims, demands, suits, and any other forms of liability or costs, whatsoever, including liability for reasonable counsel fees and other legal costs, paid to counsel of the employer's choice, that may arise out of, or by reason of any action taken or not taken by the employer in conformance with or in attempted conformance with the agency shop or representation fee provision. Furthermore, and in addition hereto, the Association guarantees that it will be responsible for any reimbursement to the employer of any costs or expenses arising from or by reason of any action taken or not taken by the employer in conformance with or in attempted conformance with the agency shop or representation fee provision.

C. Unit members will be notified in writing of any pay deductions made in keeping with the Board's policy. This notice with the reason for same will be provided to the unit member whenever possible prior to the deduction being made, but no later than

D. Bargaining unit members may individually elect for any school year to have a stated amount of their monthly salary deducted from their pay and deposited to their credit at ABCO Federal Credit Union.

ARTICLE 23 INSURANCE PROTECTION

The Board shall provide the health care insurance protection designated below to all unit members working the required number of hours to be eligible.

A. The Board will provide to eligible unit members and their dependents, at no cost to the employee, the State Employee Health Benefits Plan ("SEHBP") insurance package without a free standing prescription plan. The Board will pay the full cost of all medical plans offered by the District, except that:

1. Unit members will contribute towards the cost of health insurance coverage at the fully phased-in Tier 4 levels, as provided for in P.L. 2011, c. 78 ("Chapter 78"). The parties agree that this obligation shall remain in full force and effect unless modified by subsequent negotiations between the Board and the Association or statutory change.

B. The Board will provide for all employees represented by the Association the current dental coverage plan known as the Delta Dental Plan of New Jersey, Inc., or an equal coverage plan. Dependent coverage may be received at the employee's expense.

C. For each unit member who remains in the employ of the Board for the full school year, the Board shall make payment of insurance premiums to provide insurance coverage for the full twelve (12) month period commencing July 1 and ending June 30. When necessary, payment of premiums on behalf of the unit member shall be made retroactively or prospectively to assure uninterrupted participation and coverage.

D. The Board shall provide to each unit member a description of the health care insurance coverage provided under this Article, which includes a clear description of conditions and limits of coverage listed above as soon as they are available.

E. The Board may change the number of hours to be worked in order to be eligible for health insurance coverage under Paragraph A. above to up to twenty-six (26) hours. Should the Board institute such a threshold for employee health insurance coverage, persons employed immediately prior to the change at less than twenty-six (26) hours and receiving such health insurance benefits shall continue to receive such benefits unless their work schedule is reduced to less than twenty (20) hours per week.

Bus drivers and aides who work on school buses and who are employed and receiving health care coverage as of July 1, 2009, shall continue to be eligible for coverage provided they continue to be employees in good standing and remain in the position held on July 1, 2009. Said employees are named in a sidebar agreed to by both parties.

- F. The Board shall provide each unit member the opportunity for a pre-tax payroll deduction, under Chapter 125 of the IRS Code, up to the amount of the employee's contribution for the prescription drug plan premium and dependent dental coverage premium.
- G. The Board recognizes same sex domestic partners as eligible dependents under the NJ Domestic Partnership Act, P.L. 2003, c. 246. The Board will provide domestic partnership health benefits coverage to employees and their domestic partners as provided in the above paragraphs of this Article. These domestic partnerships must meet the requirements of the Domestic Partnership Act, P.L. 2003, c. 246, and a certificate of Domestic Partnership, obtained from the State of New Jersey, must be made available to the Board at the time of application for health insurance coverage.

Procedure for implementation: The Board will extend health insurance coverage to domestic partners by adopting the domestic partnership coverage resolution.

Student interest will include a minimum of 5% of the student body signing a letter proposing the activity and its purpose. A faculty member's intention to advise the activity will be indicated via signature on the letter submitted. All activities are subject to the availability of funding in any given contract year.
